Subject: Donlin EIS: Draft Notes for the December 19, 2012 Cooperating Agency Meeting

Friends,

Don has authorized us to circulate the draft minutes from the December 19, 2012 Cooperating Agency meeting.

In the past we have requested review comments back in one week. In this case that would be by January 9th. In recent practice, one or two agencies provided comments on the Draft minutes, often within a day or two.

I recognize that we recently discussed the review intervals provided for in the MOUs. Under those provisions 20 days were to be provided for smaller documents, and 30 days for large documents, requiring coordination and redistribution to subject matter experts within the agencies. So, if a 20-day review interval is required, we will go with that.
